

“No Man’s Land Chili Cook-Off”

Junior Chili Registration & Rules

Turn in Time: _____

1. Junior cooks must be between the ages of 7 and 15 to enter and must be accompanied by an adult to the cook-off location.
2. All the Junior Cooks will set up together in a designated area. The parents or guardians will not be allowed in the Junior Arena while they are cooking, only to help set up prior to the start of cooking and after turn-in to pack up. There will be Adult Cook-off Officials with the Juniors to oversee and help them if necessary.
3. Participants should stay with their pot of chili from start to finish. (Short bathroom breaks are okay.)
4. Chili must be prepared in accordance with Tolbert rules (...fresh ingredients... prepared out in the open {not inside a trailer, RV or tent} using clean and sanitary methods).
5. No commercial chili mixes are allowed.
6. Judging cups must not be marked in any way (no scratches, dents, ink pens, markers, glitter, the list goes on and on, but you get the idea), and nothing in the cup that would make your chili identifiable (large chunks of veggies, floating pepper, something not normally in chili, etc.)
